CITY COUNCIL

penrithcity.nsw.gov.au

MAYOR'S MESSAGE

For many years Council has worked with residents and community partners to make Penrith a better place for everyone who lives, works and visits our City.

The St Marys Town Centre Access Map is an easy-to-use guide to the many accessible facilities within the St Marys Town Centre. This map identifies accessible paths of travel throughout the Town Centre and includes information about parking areas, public toilets and other accessible amenities for people with a disability.

The Penrith Inclusion Plan – *People with Disability*, outlines the challenges and opportunities for Council and its partners to deliver a more accessible and inclusive City. Council is proud of our efforts to increase accessibility throughout the City and will continue to work towards a more accessible Penrith for all.

On behalf of Council, I gratefully acknowledge the contribution of Council's Access Committee and the Penrith Disabilities Resource Centre in the development of this Access Map.

I know this access map will be a valuable tool to help people gain easy access to the St Marys Town Centre. There is also an Access Map for the Penrith City Centre which you may find helpful.

Councillor Ross Fowler OAM
Mayor of Penrith

HOW TO USE THIS MAP

This Access Map provides information about street access, accessible services and facilities within St Marys Town Centre.

Information on this map includes where to find accessible parking, toilets, kerb ramps, parks, ATMs and public transport.

There is a Access Key that provides a simple explanation of the symbols used on this map.

To locate facilities or buildings of interest you simply refer to the list and identify the reference grid number and refer to the grid position on the map.

For more information about the St Marys Town Centre Access Map contact Penrith City Council on 02 4732 7777 or TTY 02 4732 8080 or visit the website at www.penrithcity.nsw.gov.au

MAPPED INFORMATION

Kerb Ramps

Penrith City Council has collated information on gradients for all kerb ramps in the St Marys Town Centre area.

The kerb ramps you see on this map marked in **brown colour** will be **difficult** to negotiate. Ramps in **blue** should be **easy** to negotiate.

Automatic Teller Machines (ATM)

The ATMs plotted on this map have been lowered to enable people with disabilities to access them from a wheelchair. All ATMs have visual text prompts as well as written instructions posted nearby.

Automatic Teller Machines (ATM) with Audio Prompts

A talking ATM provides audible instructions so persons who cannot read the screen can independently use the machine. All audible information is privately heard by plugging a standard headset into a jack on the face of the ATM. There is audible orientation for first time users and descriptions of the location of features such as keypad, deposit slot and card slot.

Audio Crossing Signals

The traffic lights indicated on the map are audible traffic lights.

TRANSPORT & INFORMATION

More information about accessible transport and timetables for St Marys and Sydney is available from:

Transport Infoline **131 500**
